THE 1960 BRUINS

RETURNING VETERANS — 25 returning lettermen from 1959, including 4 ends, 5 tackles, 5 guards, 3 centers, 2 blocking backs (qb), 3 tailbacks (lh), 2 wingbacks (rh), 1 fullback. Of these, 10 are two-year vets. Two major position changes were made this spring, with Skip Smith moving from tailback to fullback and Marshall Shirk from right guard to right tackle. Both panned out successfully. Wingback Gene Gaines also worked at fullback this spring and will probably see some action at this spot. Included are 10 returnees who started games last season, topped by center Harry Baldwin, left end Marv Luster and Gaines who opened in all 10 games. Other starters were left guard Jack Metcalf in 8 games, tailback Bill Kilmer and left tackle Steve Bauwens in 6 games each, tailback Bob Smith in 4 games, left guard Dave Dabov in 3 games, left tackle Foster Andersen in 2 games and right tackle Tony Longo in 1 game. The most honored returnee is Baldwin, who won first team honors on UPI All-Coast and All-AAWU. Luster was picked on the UPI All-Coast second team. Luster and Kilmer were tabbed on the All-AAWU second team. Another returnee to check closely is Jim Johnson, junior wingback.

LOSSES — 9 lettermen: 3 ends, 2 tackles, 1 guard, 1 blocking back, 1 tailback, 1 fullback. Six of the nine seniors were starters. Fullback and Captain Ray Smith wound up as one of the Bruins' all-time great fullbacks. Blocking back Art Phillips won the coaching staff's coveted "general excellence" award for his fine overall play. The Bruins lose the entire right side of their starting line in end Trusse Norris, tackle Paul Oglesby and guard and alternate captain Rod Cochran. Another part-time starter who'll be gone is left tackle Jim Wallace. Also gone will be three capable reserves in right end Glen Almquist, right end John Pierovich and tailback Al Story. Ray Smith was not only the leading Bruin rusher for the past two years but also won the award as the team's "best blocker and tackler" for 1958 and '59. He was a unanimous All-Coast and All-AAWU first team choice last year. Oglesby and Cochran were named on the All-AAWU second team. All the seniors will be sorely missed but the big job is to replace the superb Mr. Smith at fullback.

PROMISING SOPHS — The Bruins expect some help from sophs up from last year's strong frosh team which won 4 of 5 games. However, all sophs face the same problem: making the long leap from frosh to varsity ball. Top prospects appear to be right guard Joe Bauwens, a rugged lineman; fullback Mitch Dimkich, a hard-running back; right end Mel Profit, a classy receiver; and tailback Rob Smith, a talented back who could be a most pleasant surprise.

FROM "REDSHIRT" SQUAD — Here, too, the Bruins are expecting some help from 10 athletes who practiced with the varsity squad but didn't play any games. Six highly-regarded prospects in this group are wingback Carmen DiPoalo, left guard Tony Fiorentino, tailback Keith Jensen, right tackle Phil Oram, left end Jim Stanley and blocking back Joe Zeno. Both Stanley and Zeno were former fullbacks who were moved to their new positions this spring and looked mighty impressive.

OFFENSE — Coach Bill Barnes has added to the versatility and crowd-appeal of the Bruins' basic balanced-line single wing attack by adding his colorful "W-formation" spread and Wing-

back flanker formations, both wide and tight. This gives the UCLA offense as much or more passing strength and more and tougher running power than most of the heralded T-formation spreads, splits and flankers.

PASSING — With the burden of the aerial game resting on the Bruin tailback, success in this department will hinge on two returning vets — Bill Kilmer and Bob Smith — along with Redshirter Keith Jensen and soph Rob Smith up from the frosh. Kilmer is the key returnee off his aerial record the past two seasons. He led the 1959 Bruins by completing 41 of 101 tosses for 702 yards and 7 TDs. As a soph in '58, however, he hit only 4 of 25 throws from 93 yards and no TDs. He was throwing better than ever, especially in the final game this spring. Bob Smith didn't throw too much last year but he showed improvement this spring and Coach Barnes expects him to be a capable passer this fall. Last year he hit on 7 of 15 for 90 yards and no TDs. Both Jensen and Rob Smith are promising passers. Passing is equally important in Barnes' versatile attack as running. Last year the Bruins scored 10 of their 21 touchdowns by throwing.

RUNNING — In the single wing attack, the rushing is traditionally rugged with plenty of double-team blocking in front of the ballcarrier. The Bruins have lost their leading ball carrier, fullback Ray Smith, and they must find another power runner to carry on for him. Senior Skip Smith, who was moved to fullback this spring, may be the answer here. As a power-running tailback the past two years, he gained plenty of yardage. Last year he netted 289 yards on 43 carries for a nifty 6.72 average. As a soph in '58, he gained 197 yards on 51 carries for a 3.86 average. In other words, in the past two seasons he has averaged 5.17 yards per crack! He has to prove himself, however, as a blocker, an important phase of the game for a single wing fullback. Backing Skip up are other promising runners in returning non-letterman Almose Thompson, who played only 32 minutes last season and packed the pigskin only 1 times, and soph Mitch Dimkich up from the frosh. Both looked like real comers as fullbacks this spring. However, they both have lots to learn about blocking and their defensive halfback assignments. Ready to help out is wingback Gene Gaines, who also worked at fullback this spring. A talented all-around back, Gaines figures to be able to do a good job at full even though weighing only 168. Gaines and fellow senior Jim Johnson give the Bruins a dangerous 1-2 running punch at wingback. Last year Johnson gained 91 yards on 15 wingback reverses for a 6.06 average. Another veteran wingback, Joe Rosenkrans, who played mostly on defense last year, figures to go more on offense this season. The tailbacks, however, are normally the big ground gainers in the single wing attack — and the 1960 Bruins will be counting on veterans Bill Kilmer and Bob Smith to be even better runners this year than last. Although lacking speed, Kilmer is a clever runner who wound up second only to fullback Ray Smith in rushing last year with 388 yards on 94 carries for a 4.13 average. Speedy Bob Smith tied with his unrelated namesake, Skip, for third place in rushing last year by netting 289 yards on 93 tries for a 3.11 average. The other tailbacks, Keith Jensen and Rob Smith, are promising runners.

THE 1960 BRUINS

(Continued)

THE LINE — The Bruins figure to have more depth and experience up front than last year. However, it is going to be tough to replace such starters as end Trusse Norris, tackle Paul Oglesby and guard Rod Cochran. A key position change is moving Marshall Shirk, a potentially outstanding lineman from guard to tackle. The 1960 tackle situation must be considered questionable, however, as two seniors, Tony Longo and Dean Betts, may be lost because of knee operations which kept them out of spring practice. Guard appears solidly manned with plenty of competition. Senior Jack Metcalf looms as the top guard. Center is in the hands of three vets, Harry Baldwin, Ron Hull and Duane Wills. The ever-improving Hull indicated in spring practice he will push the talented Mr. Baldwin.

THE OUTLOOK — Coach Bill Barnes believes his 1960 Bruins will have more depth and experience than last year. He hopes they continue to hit like they were doing in spring practice. He's counting on Skip Smith to come through at fullback. He also particularly stresses that his tailbacks must be more versatile — that is, able to run or pass with equal facility and ability — than they were last year. Besides fullback, he points out, too, that he's looking for come-through performances at both tackle spots, right end and blocking back. Once again the Bruins are facing one of the toughest schedules in UCLA history — one that is made even tougher because of a two-game break after the opening two games. When the Bruins play Washington, one of the country's top teams, in their third game, the Huskies will be playing their fifth game. This holds true for all opponents after Washington. They'll all have a two-game experience edge over the Bruines. Barnes tabs all the AAWU teams to be stronger, with Washington and USC likely to be two of the very best in the nation. Pittsburgh is out to challenge Syracuse for national honors this season. Purdue will be a typical Big Ten squad. The Air Force Academy has 9 of its 11 starters back. Duke and North Carolina State are top Southern powers. Utah is another tough one, especially at Salt Lake City.

SECOND SEASON AT HELM

WILLIAM F. "BILL" BARNES

Head UCLA Football Coach

THE 1960 football season will see Bill Barnes going into his second campaign as the UCLA head coach. However, it will be his 16th year in the coaching profession, one as a freshman assistant at Tennessee, his alma mater, in 1940; four as end coach and scout at Arkansas from 1946 through '49; eight as a top assistant under the late Red Sanders at UCLA from 1950 through '57; one as first the senior aide and then the acting head coach at UCLA in 1958; and then one as the Bruin headman last year.

In his opening year at the helm he demonstrated that he has all the football and personal qualifications to be one of America's outstanding collegiate gridiron coaches. His 1959 Bruins not only posted a 5-4-1 winning record in playing the toughest schedule in UCLA history but also tied for the AAWU crown with a 3-1 mark. And by defeating USC, California and Stanford, his Bruins became only the fifth UCLA football team in history to sweep all three games with their natural State rivals in the same year.

But what impressed grid followers was the way Barnes augmented the solid wing attack with spread formations.

He was honored nationally last season when the UPI named him "Coach-of-the-Week" following the Bruins' sensational 10-3 upset victory over previously undefeated USC. He also served with distinction as a member of the winning West coaching staff in the East-West game in San Francisco and has already been named head coach of the West in this coming post-season classic.

Barnes, who came to UCLA in 1950 as end coach and head scout, took over for the ailing George Dickerson after the third game of the 1958 Bruin season and carried on to compile a 2-4-1 record as "acting head coach." Then, in December, 1958, he was officially signed as UCLA's ninth head football coach in history.

Barnes is a great favorite with players, students, alumni and fans alike. His five-feet-ten inches and 180 pounds do not instantly remind you that he played for Tennessee as a sophomore wingback (rh) in 1937, a junior blocking back (qb) in 1938 and a senior end in 1939. The Vols, by the way, played in the 1939 Orange Bowl and the 1940 Rose Bowl.

He showed great ability by producing outstanding ends during his early tenure at UCLA. Some of his prize pupils included Myron Berliner, Ernie Stockert, Jim Steffen, Bob Long, Cliff Livingston and All-Americans Rommie Loudd and Dick Wallen.

Although born in Missouri, he lived most of his life in Tennessee and prepped at Memphis Central High where he was picked on the 1935 All-Southern high school all-star team. He graduated from University of Tennessee in 1941 with a degree of Bachelor of Science in Education.

He served in the Army (1942-46), and was discharged with the rank of Major. While in the service he was awarded the Legion of Merit, Silver Star and Bronze Star. In 1946, after leaving the Army, Barnes became end coach and scout at Arkansas for four seasons. Coaching there was very pleasurable to Bill, because that is where he met his charming wife, the former Frances Tow.

THE STAFF

HERBERT B. "DEKE" BRACKETT—(Tennessee '34)
Senior Assistant

This season 1960 marks the 15th straight year that Bill Barnes and Deke Brackett have been coaching associates. Before heeding the call of the late Red Sanders and UCLA in 1950, they served four years together (1946-49) at University of Arkansas under Headman John Barnhill. And now they are in their 11th straight season together at Westwood.

It came as no surprise when Barnes appointed Brackett as his senior side when he (Barnes) moved up to the head spot last year. In fact, Deke also served in this capacity during the last seven games of the 1958 season when Barnes carried on for the ailing George Dickerson.

As the No. 1 assistant, the popular Deke has additional staff work and close relationship with the players besides his coaching duties with the backfield, particularly the tailbacks.

After prepping at Knoxville (Tenn.) High, he entered Tennessee in 1930 and won honorable mention on the late Grantland Rice's 1931-32-33 All-American teams as a quarterback. The 1931-32 Vol teams were undefeated. He graduated in 1934 after serving as student body president during his senior year.

Deke then worked as assistant coach at his alma mater for two seasons (1935-36) before moving on to The Citadel in Charleston, S.C., for two years (1937-38) as assistant coach and head baseball coach. He then moved to Hampden-Sydney College in Virginia for two years in the same capacity. After a four-year stint in the Navy (1942-46), from which he was discharged as a lieutenant commander, he was signed by Arkansas as backfield coach and also head baseball coach.

Deke is wed to the former Hazel Bowman and they have two children, Herbert, Jr., 19, now a sophomore in the School of Business Administration at UCLA, and Sallye, 12.

JOHN L. "JOHNNY" JOHNSON—(UCLA '47)
Assistant

Like Barnes and Brackett, Johnny Johnson is now in his 11th season on the football coaching staff at UCLA, his alma mater. He served eight years (1950-57) as the highly-respected Bruin frosh coach before moving up to the varsity staff in 1958. He's done a fine job with the backfield the past two seasons and will continue in this capacity again this year.

As the frosh mentor, Johnson did an outstanding job of whipping the manpower-shy Brubabes into a winning outfit. His 1955 Brubabes were the first and still the only undefeated and untied yearling eleven in UCLA history.

After prepping at Bakersfield (Calif.) High in 1936-38, where he won All-San Joaquin Valley honors as a back, he came to UCLA and captained the 1939 frosh club. He then missed a year of competition but returned as a Bruin fullback in 1941. In the Naval Air Corps from 1942-46, he was discharged as a lieutenant. He returned to campus in 1946 and played on the Pacific Coast Conference championship and Rose Bowl team of that season as a fullback.

He's still a very eligible bachelor.

THE STAFF

(Continued)

SAM BOGHOSIAN—(UCLA '55)
Assistant

Now in his fourth season on the UCLA coaching staff, Sam Boghosian still maintains the same spirit and love of the game he had when starring as a guard on the great Bruin teams of 1952-53-54 which lost only three games while winning 25 under the late Red Sanders. He's in his second year as the Bruins' head line coach.

It seems only yesterday (actually, it was six years ago) that Sam was an All-Coast guard on UCLA's undefeated and untied PCC and National Championship team of 1954. He then served as assistant frosh coach for two years (1955-56) at his alma mater. He caught Sanders' eye with his coaching ability and was named to the varsity staff in 1957 when Jim Myers resigned to become head coach at Iowa State.

After prepping at Fresno (Calif.) High where he was an All-City lineman for two years and also won All-Northern California honors, he came to UCLA and went on to more stardom (1951-54) in both football and rugby.

Sam, 28, is a young coach with a fine future. He's married to the former Judy Busch.

ROBERT L. "BOB" BERGDAHL—(UCLA '57)
Assistant

This is Bergdahl's third season on the Bruin staff, his second as a varsity aide after serving as the head frosh coach in 1958. Bob was an assistant frosh coach under Johnny Johnson in 1957 and did such a fine job that he was signed as Brubabe boss when Johnson was elevated to the varsity staff.

He's the head end coach and also heads up the scouting staff, the same jobs he performed so well last season.

Bergdahl is rated one of UCLA's all-time top blocking backs (quarterback) under the late Red Sanders. Following a good frosh season in 1953 when he was elected honorary Brubabe captain, he spelled the great Terry Debay at blocking back on the 1954 National championship team. He was the starter at this spot the next two seasons (1955-56) and won All-Coast honorable mention. As a senior, he also won the N. N. Sugarman Trophy for "best spirit and scholarship" among the 1956 Bruins. He also starred in rugby for four years at UCLA.

Bob prepped at Fairfax High in Los Angeles where he starred in both football and track, winning All-Western League grid honors in his senior year.

His father, Len Bergdahl, was a great UCLA quarterback for Bill Spaulding in 1930-31-32. Bob, 24, is married to the former Judy Berry and they now have two children, a daughter, Jill, 2½, and a son, Bobby, 6 months.

JAMES R. "JIM" DAWSON—(UCLA '59)
Assistant

This recent UCLA tackle — and a real good one, too — is in his third year of coaching the Bruin varsity tackles. Jim has shown the same ability, enthusiasm and aggressiveness for coaching as he displayed while playing in 1956-57-58.

THE STAFF

(Continued)

Even though handicapped by injuries, Dawson still rates as one of UCLA's top tackles. In 1957 as a junior, he was elected Bruin football captain and was one-half of the great tackle combination of Bill Leeka and Dawson. He was voted alternate captain in 1958 but his senior year was cut off in the opening minutes of the Pittsburgh opener when he suffered a shoulder injury which was to sideline him for the remainder of the season. Soon afterward, however, he received the break every young coach-to-be dreams about — he was added to the UCLA varsity coaching staff and so is now in his third season on the staff.

Jim won All-Coast honorable mention as a junior. As a sophomore in 1956, he immediately moved into a starting tackle spot and did an exceptional job, averaging 33 minutes of action per game.

Dawson prepped at Van Nuys (Calif.) High where he lettered three years as a T-quarterback and served as varsity captain. He's married to the former Colleen O'Sullivan and they have a son, Daniel, 2, and are expecting to add another member to the family in September.

DANIEL E. "DAN" PETERSON—(UCLA '58)
Assistant

This is Diminutive Dan's third season on the varsity staff. After winding up a great UCLA career in 1957, Peterson was named to the staff in 1958 and has been doing a fine job ever since with the center and linebackers. He also helps with the scouting.

Dan, whose playing weight fluctuated between 158 and 163, was rated by many experts as the outstanding football lineman pound-for-pound on the Pacific Coast during the 1957 season. This center and linebacker made up for his lack of size by spirit, desire, savvy and great ability. He carried these same traits into his coaching.

Peterson lettered three years but came into his own as a top star in his senior year. He won the Los Angeles Bruin Club Trophy as the 1957 Bruins' "most outstanding senior." He also won All-Coast honorable mention. The late Red Sanders said of Dan, "He calls defensive signals for the team as well as the coaches." Peterson also starred in Rugby for three years.

His identical twin brother, Dave, wound up his three-year career as a Bruin blocking back in 1958. Dave served as an assistant frosh coach last season. Both Dan and Dave prepped at Santa Monica High where they both won All-Bay League and All-CIF honors. Dan, 24, is still an eligible bachelor, girls.

JOHN W. "JOHNNY" HERMANN—(UCLA '56)
Head Freshman Coach

Johnny made a very favorable debut as a UCLA football coach last season. As head frosh coach, he turned out a hard-hitting and winning Brubabe team which posted a 4-1 record and tied for the championship, He actually splits his working time with the varsity and helps with scouting.

Hermann served as an assistant frosh coach in both 1957 and 1958 before taking over for Bob Bergdahl as Brubabe boss last

season. He also has a year of pro football behind him, having played as a defensive halfback for the Baltimore Colts in 1956. A kidney injury ended his pro career.

Hermann was a versatile UCLA gridder on the late Red Sanders' PCC championship teams of 1953-54-55 which won 26 games while losing only four. As a soph and junior, he performed capably as a wingback (right half) and then, as a senior, he was moved to end and turned in a fine job at the position in which he won All-Los Angeles City honors at San Fernando (Calif.) High.

Johnny also starred in baseball and rugby at UCLA. In fact, in both 1955 and 1956 he was picked on the All-California Intercollegiate Baseball Assn. second teams as an outfielder.

Like fellow coaches Johnson and Peterson, Hermann, 26, is still single.

UNIVERSITY OF PITTSBURGH (Game at Los Angeles Coliseum, Sat., Sept. 17, 8:15 p.m., PDST)

Location: Pittsburgh, Pa.
Conference: None
Enrollment: 6,950
Colors: Blue & Gold
Nickname: Panthers
University President: Chancellor Edward H. Litchfield
Athletic Director: Frank Carver
Head Coach: John P. Michelosen
Michelosen's All-Time Record: 29-21-2
Sports News Director: Carroll H. Cook
1959 Football Record: Won 6, Lost 4
Returning Lettermen: 18
UCLA all-time record against Pittsburgh: W-0, L-2
Widest margin of victory for Pittsburgh: 21 points (27-6 in 1958)

Back to the scene of their 1958 triumph over UCLA, Coach John Michelosen's big Panthers again have the manpower to tackle one of the nation's toughest schedules. And with the famed Pitt Wing and Flanker-T Attack, Pitt has the running and passing versatility to finish in the top 10 nationally this fall.

Quarterback Ivan Toncic has graduated, but return of Ed Sharockman after a year's layoff gives Michelosen the experienced T-tactician needed to make the Panther attack go. Sharockman passed to left End Mike Ditka for a 16-yard touchdown in the 1958 Bruin contest. Ditka, who caught 16 passes for 249 yards and four TD's last fall is back again as an All-East star and All-American candidate.

It might also be pointed out that the top SEVEN of Pitt's pass-catchers return for 1960. Of these, six caught a total of 14 passes for 241 yards and four scores against the Bruins in the 1959 aerial deluge.

In the ball-carrying department, the Panthers are also well-equipped. Four out of their top five rushers return, including speedy Halfback Fred Cox, Chuck Reinhold and Bob Clemens and Fullback Jim Cunningham. This foursome gained no less than 1155 yards between them last fall.

(Continued)

Up front, where Pitt teams are traditionally rugged, All-East right Guard Larry Vignali anchors the middle-line. While right End Ron Delfine, Ditka's running-mate, is the only other regular lineman returning. Pitt has returning lettermen at every line position except left tackle. And to work with Sharockman at quarterback is Dave Kraus, who started against UCLA in the '59 game.

With the line going from Delfine's 190 pounds to 230 for two-year letterman right Tackle Dick Mills, the up-front average of 214 per man could give the lighter Bruins plenty of trouble again.

At any rate, this game stacks up as another great one in the long-range UCLA-Pitt rivalry, which currently has five more years to run on the "future" schedules.

PURDUE UNIVERSITY (Game at Lafayette, Ind., Ross-Ade Stadium, Sat., Sept. 24, 1:30 p.m., CDST)

Returning Letterman: 18
UCLA all-time record against Purdue: W-1, L-0, T-1
Widest margin of victory for UCLA: 14 points (20-6 in 1950)

Again one of the nation's outstanding defensive football teams, Coach Jack Mollenkopf plans more go-go-go for his 1960 Flanker-T and Belly Series offense.

Senior Quarterback Bernie Allen is the "engineer" of the Boilermakers after a '59 season in which he gave a tremendous come-through performance after Starter Ross Fichtner was sidelined in the second game. Despite a badly sprained ankle, himself, during the middle part of the season, Allen carried Purdue to a fine 5-2-2 record and tie for third in the Big Ten. Allen completed 33 out of 86 passes for 416 yards and four touchdown, alternated as No. 1 punter and kicked 12 PATs and one field goal.

Helping Allen in the offense department will be colorful little left Half Jim Tiller, the 151-pound "flyboy" who broke up the Notre Dame game with a 74-yard dash through right guard. He had a 5.54 average last fall, best on the Purdue team. Also "carrying the mail" for the Big Tenners will be senior Fullback Willie Jones, who was voted the "most improved" Boilermaker at the end of the 1959 season.

Up front, where all Big Ten teams are tough, Mollenkopf has two tremendous All-American candidates in 22-pound left Tickle Jerry Beabout, who played 301½ minutes last fall, and right Guard Ron Maltony, who still managed to get in 255 minutes despite a bad shoulder all last season.

Other strong candidates for sectional honors will be left

Guard Stan Sczurek, a 214-pounder voted his team's "sophomore of the year" in 1959, and right End Manzie Winters, who will probably be Purdue's top pass-receiver.

Despite loss of several "name" players, Purdue's recent resurgence to contention in Big Ten football is due to continue with another tought and talented team on UCLA's better-than-ever schedule.

UCLA all-time record against Washington: W-13, L-9, T-1

Widest margin of victory for UCLA: 27 points (34-7 in 1947)

Widest margin of victory for Washington: 41 points (41-0 in 1940)

One of the greatest Western teams in years, Coach Jim Owens' 1960 Huskies have EVERY returning starter from the victorious Rose Bowl contingent that trampled Wisconsin, 44-8, last New Year's Day.

Known as the team that "never made a mistake" last year, the Washingtons will be favored to represent the Big Five for the second straight time in the Rose Bowl. They will be sparked by the nation's finest 1-2 quarterback punch in All-American Bob Schloredt and Bob Hivner, who actually started the 1959 season ahead of his talented team mate.

While the Huskies "turned on" their big running game to give them many games on the way to the Rose Bowl, it was the aerial game that got to UCLA last fall as Schloredt hit left Half George Fleming and left End Lee Folkins for 14 and 35-yard touchdown passes and a big part of their 23-7 win.

Besides Schloredt's winning of most sectional and national honors, left Guard Chuck Allen and left Tackle Kurt Gegner won first string All-Coast laurels. These two weigh in at only 205 and bring the Husky line average down to 211, still enough to handle just about any team in the nation.

Statistic leaders include Schloredt in passing with 43 completions out of 82 for .524 percentage, 835 yards and six touchdowns. Also, "Bullet Bob" had an even 40-yard punting average. Fullback Ray Jackson was the leading rusher with 521 yards and a 4.9 average while right Half Don McKeta was No. 2 with 318 and a 4.6 average, ahead of Fullback Joe

Jones' 290 and 4.7. In receiving it was Folkins and Fleming, the wild man of the Rose Bowl, with 14 and 12 respectively while Fleming was without peer in punt and kickoff returns.

All in all, with one full-fledged All-American in Schloredt, two other definite possibilities in Allen and Gegner, the Washington Huskies may be building a football dynasty in Seattle.

Widest margin of victory for UCLA: 72 points (72-0 in 1954)
Widest margin of victory for Stanford: 82 points (82-0 in 1925)

Cactus Jack Curtice's Stanford aerial circus comes to town to play its first night game against UCLA since the two teams collided under the arcs back in 1930.

Dick Norman, the nation's 1959 passing leader with 152 completions out of 263 attempts for 1963 yards and 11 touchdowns, again "engineers" the Indian Split-End, Flanker-T offense that many times dishes up real gridiron thrillers.

Another one of the nation's leaders on the Stanford roster is Fullback Skip Face, the country's No. 2 scoring ace who racked 100 points last fall. He also collected 362 yards rushing to lead his team mates. Norman was named "Back of the Week" in the AAWU three times last fall and Face once.

Three other regulars help what obviously will be an improved Indian team. They are right Half Mac Wylie, a fine 190-pounder; right Guard Ron Fernandes and Center Doug Pursell. The Indian line, averaging 212 per man, is one of the largest UCLA will face during 1960.

Besides setting NCAA records for the most completions and most aerial yardage as they did last fall, the Stanfords plan a big comeback in the rushing and defensive departments. This is where linemen like Co-Captain and right Tackle Dean Hinshaw, weighing in at 236, and Sophomore left Tackle Phil Toorvald, 215, will come in handy for clearing the way.

Any way you look at it, this spicy annual game is always a must for discriminating football fans.

Widest margin of victory for UCLA: 9 points (21-12 in 1959)

Coach Earle Edwards' year of "building" is past and the Wolfpack is ready to move 'way up. With gigantic T-General Roman Gabriel back to show his wares, State's Multiple-T and Single Wing may really roll. Gabriel, who completed 12 out of 17 for 105 yards against UCLA last fall, had the top completion percentage of the nation's first 25 passers in 1959. His season record was 81 out of 134 for .604 for 832 yards and three touchdowns, one against the Bruins.

Among the 17 returnees will be seven Wolfpack starters against the Bruins last fall. They are, not including Gabriel, Ends Dick Drexler and Jim Tapp, left Tackle Collice Moore, left Guard Alex Gilleskie, Quarterback Ron Wojcicki, left Half Claude Gibson and Fullback John Stanton.

To make the big State pass attack go are outstanding receivers in Regulars Gibson and Tapp and also in 6-3 George Vollmar, another fine target. Gibson led the threesome with 19 catches for 224 yards last fall while Tapp and Vollmar followed with 13 and 12 catches respectively. They were largely instrumental in helping Gabriel set five new Atlantic Coast Conference aerial records during 1959.

Tabbed as last year's hard-luck team which lost five games by five points or less, the 1960 Wolfpack has more depth and speed and is ready to put on a winning spurt.

1960 UCLA OPPONENTS

(Continued)

Coming up with a highly-successful coach from the University of New Mexico, complete with new Delaware Wing-T offense, the California Bears are definitely headed for greener pastures.

Loaded with five out of their top six 1959 running backs, the Bears have come up with talented Sophomore Quarterback Randy Gold, top rusher and passer off last year's freshman team. Gold is said to better than ex-All-American Joe Kapp as a soph.

Top varsity rushers last fall were Fullback Walt Arnold (351 yards); ex-Fullback Bill Patton (338), now at left half; and right Half Steve Bates (307). This trio accounted for 130 yards and a touchdown against UCLA in the 1959 "toughie".

To go with Gold's outstanding passing in '60, however, is every single Cal pass-receiver from the '59 squad. Topping them is 6-4, 215-pound Gael Barsotti, who snagged six for 111 yards and one touchdown.

Besides Steve Bates and Arnold, others who started against the Bruins last fall were Center Andy Segale, who could really go for sectional honors in '60, and right End Tom Bates, a two-year letterman. Arnold, who made second team All-Coast last year, could even be tabbed for better awards this season.

Other lettermen in the lineup this fall may be left Tackle Ted Dinkler, weighing 210; left Guard Doug Graham, 205; right Guard Jeff Snow, a 205-pound 1958 letterman; and Roland Lasher, another 205-pound, two-year vet.

This tremendous Intra-University football rivalry, a unique tradition in this country, is still 15-14-1 in favor of Cal after 26 years. You can bet the Bruins will be trying to even it up this fall and the Bears will be trying to keep them from it.

This and the great weekend in the Bay Area are "musts" for the modern-day sports follower.

With nine starters returning, including spectacular T-Quarterback Rich Mayo and a host of running stars, Coach Ben Martin again could carry his crowd-pleasing Falcons to one of the nation's top records.

1960 UCLA OPPONENTS

(Continued)

Mayo, now a senior with a tremendous passing record behind him, ranked fourth in the nation aerially last fall, completing 110 out of 211 attempts for 1212 yards and six touchdowns. It was his surprise running against UCLA, however, that helped account for the 20-7 upset of the Bruins.

In addition to Mayo, who ran for 71 yards against UCLA in 1959, the Multi-T flyboys had another pair of all-star rushers in left Half Monte Moorberg and right Half Mike Quinlan. This trio accounted for 259 yards and three scores against UCLA last season — and all return, but with Moorberg at fullback.

To thrill the fans and frighten the opponents, the Falcon air attack again promises to be murderous as Mayo has his top five receivers returning. Between Quinlan, Ends Bob Brickey and Sam Hardage and Halfbacks Phile Lane and Don Baucom, this fivesome snagged no less than 103 passes during the season for 1218 yards and seven TD's. No team in the country can claim returning aerial artists like these!

The four other returning starters represent what the Falcons need most for a hugely successful season — solid veterans up front to make the spectacular all-purpose offense run like clockwork. These include Tackles Bob Wagner and Neal Rountree, 205 and 225 respectively; left Guard Randy Cubero, a lightweight "tiger", and Center Mike Rawlins, a 185-pounder who can play just about any place on the team.

Fans remembering last fall's thrilling show put on by the Falcons can easily understand why this relatively new UCLA-Air Force Academy game is becoming a "traditional" in a short time.

This thrilling, hard-hitting fall football "classic" has something added this year in John McKay, SC's new and highly-regarded head coach.

An ex-Oregonian, McKay could have one of the finest teams in the country as followup to Don Clark's 8-2 record last fall, when the Trojans were ranked No. 2 nationally until upset by the Bruins, 10-3.

1960 UCLA OPPONENTS

(Continued)

Six Trojan starters from that controversial contest return for '60 including All-AAWU Halfback Jerry Traynham, who was the leading rusher in the league with a total of 583 yards and a 4.7 average.

Others are Luther Hayes and All-American Marlin McKeever, SC's top pass-catching ends; All-American Guard Mike McKeever; right Half Bob Levingston; and Center Dave Morgan.

Ben Charles, SC's ace passer; and All-Coast Tackle Dan Ficca, who probably played his greatest game against UCLA last fall, also return to make things tough on the opposition.

Probably the most imposing line in the country, the Trojan front wall, anchored by Tackles Ficca (230) and Mike Bundra (235), averages a muscular 216 pounds per man.

Again, it will be difficult to score against SC (seven 1959 opponents made one touchdown or less against the Trojans), and the new McKay offense will give opposing scouts something to worry about and fans something to get excited about.

In addition to the game itself, Homecoming for alumni of both universities helps make this one of the most colorful football games in the land.

Ex-UCLA football Coach Ray Nagel fully expects to field a University of Utah team better than the good-looking outfit that out-rushed and out-passed the Bruins, though losing, 21-6, last fall.

Ending the season as the sixth best offensive team in the nation for 1959, Nagel, after two fine freshman teams in a row, figures to have his best defensive unit and one that will match the colorful Ute attack.

While the Redskins' predominant strength will be up front, rushing Stars Dennis Zito and Gordy Lee, a couple of free-wheeling halfbacks who averaged better than five yards per try last fall, will make the Nagel Multiple-T offense as dangerous as ever. Redshirter Gordon Frank and San Diego Junior College Transfer Dan Spinozola will vie for the fullback spot while Lettermen Terry Nofsinger and Dennis McLaughlin fight for the quarterback slot with Squadman Darryl Eisner. Nofsinger, who completed seven out of 24 passes last fall for 110 yards and gained 80 yards rushing, may have the edge.

1960 UCLA OPPONENTS

(Continued)

In the line the Utes are really impressive. Harv Holmes and Joe Borich, two end returnees are fast and capable. Left Tackle Ken Peterson, a 227-pounder, is a true All-American candidate; and Tom Birch, a 200-pound "cat" is his running mate.

Guard Starters Harold Warfle, 203, and Tony Polychronis, a 254-pound "bomb", give Nagel one of the best pairs in the country. And the battle between Center Ed Pine and UCLA All-Coast pivot man Harry Baldwin could even determine the All-American selection.

Any way you look at it, the game will be a great one between the Utes and Bruins, whose coaches last worked together to help mold the fine 1955 UCLA Pacific Coast Conference champions.

UCLA all-time record against Duke: This is first game.

Return of an alternate No. 1 quarterback, top rushers, pass-receivers and fine speed, make Coach Bill Murray's Iron Dukes a team to watch in 1960.

Focus undoubtedly will be on the Blue Devil's "Mr. Everything", Halfback Joel Arrington, who led last year's team in rushing, receiving, punting and both kickoff and punt returns. He carried the ball 92 times for 444 yards and a 4.8 average and has speed to go "all the way".

To make the team go is Quarterback Don Altman, who engineers the special Murray brand of T-formation. Arrington and halfback running mate Jack Wilson led in pass-catching last fall, and they, along with four fine wingmen, including Regular Tee Moorman, can give Duke an outstanding all-round attack. Another end, 6-6, 225-pound Dwight Bumgarner, was switched to tackle and may be one of the greatest in his section of the country.

Fullback probably goes to Jerry McGee, a former QB, who made the switch to full last season.

Size and good potential make the tackle spots promising. At one guard Captain-Elect Art Browning while Center and Alternate Captain-Elect Butch Allie comprise a fine middle-line duo that will be tough to handle.

This marks Duke's first visit to the West Coast to play UCLA; and with a week's rest following the Nov. 19 North Carolina game, the Blue Devils will be seeing red.

THUMBNAIL SKETCHES OF BRUIN PLAYERS

LEFT END (ALSO LEFT END ON DEFENSE)

ERIC CARLYLE (RICK) FRIES — Sophomore, 1959 freshman numeral winner as starting end. Missed most of spring practice because of injuries. Has lots of natural ability, including fine speed, but, of course, is inexperienced. Showed his speed by winning both the 100 (9.9) and 220 dashes in the intra-mural track meet this spring. Catches the ball well but must improve his blocking. Lettered two years in football at Manual Arts Hi in Los Angeles. Won 1959 All-Southern League honors under Coach Jim Blewett. Also served as student body president and football captain. Physical Education major.

GORDON CLINT (GORDY) HESS — Junior, one-year non-letterman, played 7 minutes last year; non-playing "Redshirter" in 1958. Needs only to become more aggressive, more of a "tiger" to bridge the gap between just another ball player and a more regular performer. A former sprinter (9.9 and 21.5), he combines speed with solid fundamentals. Won letters in football and track at Glendale (Calif.) City College. Lettered three years in football, track and basketball at Glendale Hi. Voted Glendale Hi's "Athlete-of-the-Year" for 1956-57 senior year and also served as student body president. Won All-CIF third team backfield honors in 1956 under Coach Roy Vujovich, former UCLA grid star. Sociology major.

TOP INDIVIDUAL VARSITY STATISTICS

1959—Pass Receiving: 1 reception, 21 yards, no TD's.

MARVIN EUGENE (MARV) LUSTER — Senior; two-year letterman, played 355 minutes at end last year, the second most among all returnees, and 197 minutes at wingback in 1958. Started all 10 games last year. Was picked on 1959 All-AAWU second team and UPI All-Coast team. Was voted AAWU "Lineman-of-the-Week" for his outstanding play against North Carolina State on Nov. 13. Led the Bruins in receiving and ranked No. 3 among AAWU receivers. Caught 5 TD passes for 30 points to be UCLA's top returning scorer. His season total of 22 catches has only been exceeded by four other Bruin ends in history, including Ernie Stockert's UCLA record of 30 in 1951, Bob Wilkinson's 27 in 1949; Ike Jones' 25 in 1952 and Dick Wallan's 23 in 1956. Here is a great receiver who figures to be even greater this season. This former back added confidence and knowledge of position after banner 1959 campaign at end. He worked hard on his blocking this spring and showed marked improvement. A former hurdler (14.3 in high and 23.1 in lows), he has speed plus a good pair of hands — and runs clever patterns. Here's a Bruin with All-Coast and/or All-American potential. He has already been drafted by the Los Angeles Rams. Lettered in football and track in one-year stay at Los Angeles City College. Lettered in football three years and track two years at Belmont Hi in Los Angeles. Earned All-City honors in football under Coach Felix Pennino. Public Health major.

1958—Rushing: 22 carries, 92 net yards, 4.18 average.
Pass Receiving: 5 receptions, 112 yards, 2 TD's.
Scoring: 2 TD's, 12 points
2-Year Totals—Pass Receiving: 27 receptions, 478 yards, 7 TD's.
Scoring: 7 TD's, 42 points.

JAMES CHARLES (JIM) STANLEY — Sophomore; one-year "Redshirt" squadman who didn't see action last year; 1958 freshman numeral winner as starting fullback. Moved from fullback to end the last three weeks of spring practice — and was one of the most pleasant surprises of the off-season drills. Learned position remarkably well in short period and has fine potential. He runs with ball well after catching ball. Looks like a strong, tough ball player. Lettered in football four years, track three years and basketball one year at Exeter (Calif.) Hi. Won All-Central California grid honors under Coach Dave Strong. Served as president of Student Council and also head yell leader. Also was football captain and twice "most valuable player" on team. Pre-Dental major. Phi Gamma Delta fraternity.

DONALD WILKS (DON) VENA — Junior; one-year letterman, played 140 minutes last year; 1958 freshman numeral winner as starting end. Showed fine promise as No. 2 left end behind Marv Luster last year as sophomore. Tied with wingback Gene Gaines as UCLA's third best receiver. A smart, determined gridder, he knows his position well. Makes up for lack of speed with good pair of hands and by running clever patterns. A Bruin to watch! Lettered in baseball three years and in both football and basketball two years at Cantwell Hi in Montebello, Calif. Won All-Catholic League honors at end under Coach Greg Kabat. Economics major. Kappa Sigma fraternity.

TOP INDIVIDUAL VARSITY STATISTICS

1959—Pass Receiving: 5 receptions, 86 yards, no TD's.

LEFT TACKLE (RIGHT TACKLE ON DEFENSE)

ANTHONY WILLIAM (TONY) ALBANY — Senior; one-year non-letterman, played 17½ minutes last year; non-playing "Redshirter" in 1958; sidelined in 1957 with broken leg; 1956 freshman numeral winner as starting tackle. Moved from guard to tackle this spring. Showed improvement this spring—and with his experience could help. Lettered three years in football and track at San Joaquin Hi in Fresno, Calif. Served as football captain under Coach Morrie Pratt. Economics major.

FOSTER MAX ANDERSEN — Junior; one-year letterman, played 144 minutes last year; 1958 freshman numeral winner as starting center. Coming strong at end of last season and started last two games against Utah and Syracuse. Although bothered with shoulder injury during spring practice, looks like man to beat out for starting honors. An outstanding lineman, needs only to improve his offensive play to develop into a great all-around tackle. This "growing" athlete, he tipped the scales at 226 last season, has tremendous desire and good savvy for football. Won two letters in football and one letter in basketball at Mark Keppel Hi in Alhambra, Calif. Was

football captain and an all-league performer as well as All-CIF second team selection under Coach Ed Austin. Political Science major.

KENNETH MELVIN (KEN) ARNDT — Sophomore; one-year "Redshirt" squadman who didn't see action last year. Moved from guard to tackle this spring. He's hard-nosed, quick and intelligent. Stronger defensively than offensively. Figures to help. Attended Glendale JC one year but didn't play football there. Lettered in football at Eagle Rock Hi in Los Angeles. Won All-Northern League first team and All-City third team honors as a guard under Coach Roy Jae. Pre-Medical major.

STEVE LOUIS BAUWENS — Junior; one-year letterman, played 231½ minutes last year; the most of any sophomore; non-playing "Redshirter" in 1958. Started six games last year, including Washington, Stanford, North Carolina State, California, Air Force Academy and USC. He was showing marked improvement, especially on offense, until he was hurt in final week of spring practice. Strong and rugged, he's a hard-nosed lineman who figures to battle Anderson for starting honors. His younger brother, Joe, is rated a fine soph prospect at right guard. Steve lettered one year in football at Compton (Calif.) College. Lettered three years in football under Coach Gene McCarter at Alleman Hi in Rock Island, Ill. Business major. Sigma Pi fraternity.

DEAN BRENTON BETTS — Senior; two-year letterman, played 109½ minutes last year and 95 minutes in 1958; non-playing "Redshirter" in 1957; 1956 freshman numeral winner as a starting tackle. Has missed spring practice for past two years because of knee operations. Must be rated a question-mark because of knees. If he's able to compete, this especially outstanding offensive tackle with two years of experience behind him will see lots of action. Plan to move him from right tackle to left tackle this fall to bolster this spot, especially offensively. Lettered three years in football at Van Nuys (Calif.) Hi. Won All-City second team honors under Coach Winston Tucker. Production Management major in Business Administration.

DONALD KENDALL (DON) BROOKS, JR. — Sophomore; one-year "Redshirt" squadman who didn't see action last year; 1958 freshman numeral winner as tackle. Showed improvement this spring. Has good offensive blocking ability but must improve defensive play. He's a hard worker with a fine attitude. Lettered four years each in football and track at Sanger (Calif.) Hi. Won 1957 All-Central California grid honors at tackle under Coach Ray Newman. Business Administration major. Delta Sigma Phi fraternity.

LEFT GUARD (ALSO LEFT GUARD ON DEFENSE)

JOHN ALLEN EMERY — Junior; one-year non-letterman, played 4½ minutes last year; non-playing "Redshirter" in 1958; 1957 freshman numeral winner as starting guard. Hard-working and intelligent, he makes up for lack of size with desire. Lettered in football and baseball at Torrance (Calif.) Hi. Won All-Bay League grid honors under Coach Jack Miller. Pre-Medical major. Phi Delta Theta fraternity.

THUMBNAIL SKETCHES

(Continued)

TONY FRANK FIORENTINO — Sophomore; one-year "Redshirt" squadman who didn't see action last year. Has tremendous natural ability to be a fine football player. He's quick, strong with good overall speed. Is especially talented defensively. With experience, he figures to push senior Jack Metcalf and junior Frank Macari at this spot which has solid 1-2-3 depth. Competed in track last spring with bests of 50 ft. 11 in. in shot put and 148 ft. 6 in. in discus throw. He's the younger brother of Frank Fiorentino, former All-Coast guard at USC where he played in 1956-57-58. Lettered in both football and track at Fresno (Calif.) City College where he won all-league grid honors. Lettered four years in football and two years in track at San Joaquin Hi in Fresno. Won All-City and all-league grid honors under Coach Morrie Pratt. Physical Education major.

FRANK JOHN MACARI — Junior; one-year letterman, played 98 minutes last year; 1958 freshman numeral winner as starting guard and elected honorary Brubabe co-captain with Marshall Shirk. Showed marked improvement in spring practice and is both stronger and bigger than last year. An especially good defensive football player, he figures to push Metcalf for top spot. Lettered in football and track at North Hollywood (Calif.) Hi. Won All-City first team, All-Valley League and All-America honorable mention in prep football under Coach John Sanders. Was football captain and also served as student body treasurer. Aeronautical Engineering major. Phi Kappa Psi fraternity.

ROBERT JAMES (JACK) METCALF — Senior; two-year letterman, played 267 minutes last year, the most of any returning guard, and 72½ minutes in 1958. Started the last eight games of the 1959 season. Won UPI All-Coast honorable mention. Here's the most experienced, fastest and best offensive guard on the squad. He's bigger and stronger than last year. However, he must have a fine senior campaign to stay ahead of Macari and Fiorentino. (Don't be surprised if one of these three isn't moved this fall to strengthen some other position.) A transfer from El Camino (Calif.) JC after attending New Mexico Military Institute where he played one year of football. Lettered three years each in football and track at Inglewood (Calif.) Hi. Won All-CIF second team grid honors under Coach Paul Manahan in 1955. Physics major. He's married to the former Dolores Cook.

CENTER (LEFT LINEBACKER ON DEFENSE)

HARRY LOUIS BALDWIN — Senior; two-year letterman, played 384 minutes last year, the most of any returning player and second only to "Ironman" Ray Smith with 413 minutes, and 364½ minutes in 1958, second only to "Ironman" Jim Steffen with 410 minutes; non-playing "Redshirter" in 1957; 1956 freshman numeral winner as starting center. Most honored of any UCLA returnee, having been named on 1959 UPI All-Coast and All-AAWU first teams and won All-America honorable mention by AP, UPI, Hearst Headline and NEA. Started all 10 games last year, topped by 53½ minutes against Purdue, and 7 of 10 games as a sophomore in 1958, topped by 52 minutes against Oregon and 51 minutes against USC in

last two games. Voted AAWU "Lineman-of-the-Week" for his brilliant play against Stanford last Nov. 7. Won 1958 Bruin Bench "Rookie-of-the-Year" award. A lean, agile "Texas-type" athlete, he is well on his way toward becoming one of the greatest of a long-line of UCLA centers that has included the likes of Jim Matheny, Steve Palmer, Don Paul, Johnny Ryland and Homer Oliver. Here is a tremendous competitor who loves the game — and loves to hit! He enjoyed a fine spring practice and looks ready to put in a strong bid for 1960 All-Coast and All-American acclaim. Lettered in football, track and basketball at Mark Keppel Hi in Alhambra, Calif. Won All-CIF third team honors in 1955 under Coach Ed Austin. Also was football captain and student body president. Physical Education major. Phi Kappa Psi fraternity.

KENNETH LEE (KEN) GOODMAN — Junior; one-year non-letterman, played 19 minutes last year; non-playing "Redshirter" in 1958; 1957 freshman numeral winner as a starting tackle. Moved from right tackle to center this spring. Showed promise but was handicapped by knee injury. He's quick for his size (6-3, 224) and looms as a strong linebacker. Lettered in football and track at Los Angeles Hi. Served as football captain and win All-Southern League honors under Coach Harry Edelson. Business major. Delta Sigma Phi fraternity.

RONALD E. (RON) HULL — Junior; one-year letterman, played 117 minutes last year. This rugged athlete backed up Harry Baldwin in impressive style last season even though he played without benefit of spring practice. Strong and tough, he's rated an even better linebacker than Baldwin — and appears capable of pushing Baldwin for starting honors. However, Ron had a disappointing spring practice because of injuries. Baldwin and Hull give the Bruins a powerful 1-2 punch at this position. Lettered one year in both football and track at Citrus Junior College in Azusa, Calif., before transferring to UCLA in September, 1959. Lettered in football at Wilson Hi in Los Angeles. Won All-City second team grid honors under Coach Vic Cuccia. Physical Education major.

ANDREW VSEVOLOD (ANDY) VON SONN — Sophomore; one-year "Redshirt" squadman who didn't see action last year; 1958 freshman numeral winner as a starting tackle. Moved from left tackle to center this spring. Missed half of spring practice because of broken ankle. Showed promise at this new position and looked especially good at linebacking. Lettered one year each in football and track at Reseda (Calif.) Hi under Coach Jim Tippet. Physical Education major. Phi Gamma Delta fraternity.

DUANE ARTHUR WILLS — Junior; one-year letterman, played 99 minutes last year; non-playing "Redshirter" in 1958; 1957 freshman numeral winner as the starting center and elected honorary Brubabe captain. RIGHT GUARD (RIGHT GUARD ON DEFENSE)

JOSEPH A. (JOE) BAUWENS — Sophomore; 1959 freshman numeral winner as a starting guard. This younger brother of left tackle Steve Bauwens is a very promising lineman. He's strong and tough and looks like a real comer. However, like all sophs he has lots to learn. Lettered three years in football at Alleman Hi in Rock Island, Ill. Won All-State honors under Coach Gene McCarter. Chemistry major.

DAVE WARREN DABOV — Senior; one-year letterman, played 260 minutes last year; one-year non-letterman, played 21½ minutes in 1958; non-playing "Redshirter" in 1957. Started three games at left guard last year, including Purdue, Pittsburgh and North Carolina State. Moved to right guard this spring. He and Tom Paton figure to battle for starting honors. Has shown steady improvement. He's tough and quick. With his experience, should be ready for fine senior campaign. Attended East Los Angeles Junior College for one year but didn't compete in football. Lettered in football, track and gymnastics at Alhambra (Calif.) Hi. Won all-league grid honors under Coach Ed Sowers. Set a world record for situps in 1956 when he made 5,600 in 3½ hours. Physical Education major. Phi Kappa Psi fraternity.

THOMAS GEORGE (TOM) PATON — Junior; one-year letterman, played 137 minutes last year; non-playing "Redshirter" in 1958; 1957 freshman numeral winner as a starting guard. Came real fast at the end of the season and continued to improve this spring, even though handicapped by swollen knee. He's quick and should be bigger and stronger this fall. Figures to push Dave Dabov for No. 1 spot. Lettered in football, basketball and track at Glendale (Calif.) Hi. Was football captain and won all-league second team honors at fullback under Coach Roy Vujovich, former UCLA end. Physical Education major. Delta Sigma Phi fraternity.

RIGHT TACKLE (LEFT TACKLE ON DEFENSE)

CHARLES GARY (CHUCK) HICKS — Junior; one-year letterman, played 74½ minutes last year; non-playing "Redshirter" in 1958; 1957 freshman numeral winners as starting tackle. This quickest and fastest tackle on the squad showed improvement this spring. He's bigger and stronger than last year — and looms as a better all-around ball player. Lettered three years each in football and basketball at Melrose Hi in Memphis, Tenn., the same high school which produced Esker Harris, former UCLA guard great. Hicks won All-State honors in football for three years under Coach Joe Westbrook. Also served as football captain and president of the Student Council. Mathematics major.

ANTHONY JAY (TONY) LONGO — Senior; two-year letterman, played 153½ minutes last year and 100½ minutes in 1958. Started one game last year, against Pittsburgh. Missed entire spring practice because of knee operation. Must be rated a questionmark because of knee. If he's ready to go, this talented all-around tackle will see lots of action. He's the most experienced tackle returning. Lettered one year in football at Mt. San Antonio (Calif.) JC. Lettered two years each in foot-

ball and track at Alhambra (Calif.) Hi. Won All-Pacific Coast League honors as a fullback under Coach Ed Sowers. Business Administration major. Phi Kappa Psi fraternity. He's wed to the former Geraldine Neilson.

PHILLIP GENE (PHIL) ORAM — Sophomore; one-year "Redshirt" squadman who didn't see action last year. Impressed in spring practice. Although lacking experience, he has fine attitude and looks like solid offensive tackle. However, he must improve defensively. Figures to play a lot of football. Lettered one year at Cerritos (Calif.) JC where he won All-Western States Conference honors at tackle. Lettered in football, basketball and baseball at Bellflower (Calif.) Hi. Won all-league grid honors under Coach Charles Hall. Physical Education major. He's wed to the former Gayle Carter.

CHESTER MARSHALL (MARSHALL) SHIRK — Junior; one-year letterman, played 160 minutes last year; 1958 freshman numeral winner as starting guard and elected honorory Brubabe co-captain with Frank Macari. Moved from right guard to right tackle this spring. Did a fine job as sophomore last year in backing up alternate captain Rod Cochran, star senior guard. Made big impression as tackle this spring. With normal improvement, this talented lineman looks like a coming All-American. He's big, tough and strong. Loves the rough going and is tops in rushing the passer. A "growing" athlete, he tipped the scales at 230 this spring. He and left tackle Foster Andersen loom as one of the finest pair of junior tackles in UCLA history. A Bruin to check closely — that's Marshall Shirk! Lettered three years in football under Coach Clare Van Hoorbeke at Anaheim (Calif.) Hi. Was twice All-Sunset League tackle, 1957 all-CIF second team choice and 1957 All-America prep honorable mention. Also was senior class president. Business Administration major. He and UCLA senior tackle Dean Betts are cousins.

RIGHT END (ALSO RIGHT END ON DEFENSE)

JAMES LOWELL (JIM) BATES — Sophomore; 1959 freshman numeral winner as an end. Showed good potential in spring practice but may be a year away. Has fine speed. Lettered in football two years at Banning Hi in Wilmington, Calif., under Coach Gene Volnogle. Served as Senior Class president. Pre-Dental major.

CRAIG WARREN (CHOO CHOO) CHUDY — Senior; two-year letterman, played 44½ minutes last year, and 120½ minutes in 1957; freshman numeral winner as a starting end. Returning to right end, the position he played in 1957, after playing left end last year. Missed spring practice because of a pulled leg muscle while competing in UCLA track meet before off-season drills started. Had best times of 14.8 and 24.4 in the hurdles and 10.1 in 100. With his football experience and fine speed and size, he could really help this fall if he can regain top form. Lettered in football and track at Narbonne Hi in Lomita, Calif. Won All-City third team grid honors in both 1953 and 1954 under Coach Alex Mechicoff. Physical Education major. He's married to the former Janice Bell and they have a son, Craig II, 2.

NORMAN DAVID (DAVE) DUNCAN, JR. — Sophomore; has only high school football experience. This son of Norm Duncan, former great UCLA fullback in 1929-30-31 and a member of the UCLA Physical Education department staff since 1937, has been out of football for 2 seasons now but showed quickness and good natural instincts this spring, according to Bob Bergdahl, Bruin end coach whose dad, Len Bergdahl, played with Norm Duncan for two seasons (1930-31). Dave attended first Valley (Calif.) Junior College (1958) and then Santa Monica (Calif.) City College (1959) but didn't compete in athletics at either school. He transferred to UCLA last February. Lettered three years each in football and baseball at Van Nuys (Calif.) Hi. Won All-City third team grid honors as an end under Coach Winston Tucker in 1957, his senior year. Pre-Medical Major. He's married to the former Sarra Jane Hillyear, the daughter of Dr. Ernest C. Hillyer, a member of the UCLA Medical School staff, and they have a son, Scotty, 18 months old. Incidentally, his uncle, Dr. John Duncan, played guard at UCLA the same time as his brother Norm did.

THOMAS (TOM) GUTMAN — Sophomore; one-year "Redshirt" squadman who didn't see action last year. Switched from tackle to end. He's big, strong, fast and has good potential. However, he's a novice at football and as he's only played two years, one on the "Redshirts" last year and one as a member of Santa Monica (Calif.) City College's 1958 championship team. Didn't play football at Santa Monica Hi but did letter three years each in basketball and track. Could surprise. Physical Education major.

MELVIN (MEL) PROFIT — Sophomore; 1959 freshman numeral winner as a starting end; 1959-60 freshman numeral winner as the starting center in frosh basketball. This talented two-sport athlete has tremendous potential. However, he missed three-quarters of spring practice because of injuries. He has size and speed but needs plenty of work to acquire the necessary fundamentals and techniques. He flashed his potential greatness in the Brubabes' 1959 finale against USC's Trobabes when he scored 22 points — 12 by catching two TD passes, 6 by kicking two field goals (24 and 31 yards) and 4 by conversions — to pace a 35-12 victory. After a slow start in frosh basketball, he came strong to wind up as the team's third highest scorer with 208 points in 22 games for a 9.5 average. A Bruin to check closely! Lettered four years each in football and basketball and two years in baseball at Camden Hi in San Jose, Calif. Won all sorts of honors in both sports, including All-City, All-League and All-Northern California. Was named on the 1959 All-American prep basketball first team. Served as football and basketball captain during senior year. His grid coach was Junior Morgan. Business Education major.

EARL DEAN SMITH — Senior; one-year letterman, played 140 minutes last year. Even without benefit of spring practice last year, he developed quickly and wound up as the No. 2

right end behind senior Trusse Norris. He indicated in spring practice that he's, perhaps, the most consistent and best all-around end on the squad. Strong and quick, he's especially outstanding defensively. He didn't catch any passes last year. Transferred from Riverside (Calif.) City College in September, 1959. Won All-Eastern Conference JC honors and the "Lineman-of-the-Year" award at Riverside in 1958. Back in 1954 he also lettered in football at San Francisco City College. In the interim between 1955-57, he served in the U.S. Air Force. Lettered three years each in football and track and one year in basketball at Washington Hi in San Francisco. Served as football captain under Coach Chad Reade. Also served as student body treasurer. Physical Education major. He's married to the former Carmelita C. Bronson and they have a daughter, Gina Marie, 18 months old.

WAYNE E. SONGER — Junior. Entered UCLA last February after a two-year stint in the U.S. Marines where he played service football. Prior to that he had lettered two years in water polo and one year in football at Los Angeles City College. Big and strong, he showed promise in spring practice and could help. Didn't play football at Fairfax Hi in Los Angeles. Lettered three years there in baseball. Accounting major. He's married to the former Kathy Wolfe.

WAYNE RATKOVICH — Sophomore; 1959 freshman numeral winner as a tackle. Moved from tackle to end this spring. He showed good potential in spring practice but may be a year away. Lettered in football at Glendale (Calif.) Hi where he won All-CIF third team honors at tackle in 1958 and also was voted Foothill League's "Lineman-of-the-Year." Served as football co-captain under Coach Roy Vujovich, former UCLA end. Also served as student body president. Business Administration major. Beta Theta Pi fraternity.

QUARTERBACK OR BLOCKING BACK (RIGHT LINEBACKER ON DEFENSE)

JAMES R. (BERGIE) BERGMAN — Sophomore; freshman numeral winner last year as starting blocking back. Tops among newcomers, but needs heft and seasoning. Lettered three years in football, two in swimming and one in baseball at Banning Hi in Wilmington. Also was student body president. Won All-Marine League guard honors under Coaches Paul Huebner and Gene Volnogle. Engineering major.

IVORY ALLEN JONES — Senior; one-year letterman, played 218½ minutes last year; and was winner of the Bruin Bench "Rookie-of-the-Year" Award. Tied a UCLA individual game record by making 7 of 8 conversions in 55-13 win over Stanford, tying Ernie's Case's mark set in 1946 Montana game. Showed tremendous athletic ability by moving right in from Santa Monica (Calif.) City College last fall to pick up difficult blocking and linebacking chores and push veteran Art Phillips to an outstanding performance. Quick as a cat, Jones could be one of the West's top blockers and linebackers during the 1960 season. Won second team All-American JC honors in 1958 and was named his team's "Player-of-the-Year." Won All-State honors for four years running under Coach A. L. Pat-

Lettered four years in football and three years as 440 runner in track at Verdugo Hills Hi, earning All-League grid honors under Coach Harry Hough. Also was student body president. Physics major. Phi Gamma Delta fraternity.

ROBERT ALAN (BOB) STEVENS — Junior; one-year letterman, played 60½ minutes last year as blocking back, including 31 against North Carolina State. Showed definite improvement in spring practice, and a come-through performance here would be a big item in UCLA's success this fall. Quick and aggressive, but lacks heft. Lettered one year in football and track (polevaulter) at Santa Monica (Calif.) City College before transferring to UCLA. Lettered three years in football, one in gymnastics, two in track at Venice (Calif.) Hi. Won All-City and All-Western League first team grid honors in 1956 under Coach Grayson Turney. English major. Phi Gamma Delta fraternity.

JOSEPH RICHARD (JOE) ZENO — Sophomore; one-year "Redshirt" squadman who didn't see action last season; 1958 freshman numeral winner as No. 1 Brubabe tailback. Was switched to fullback last fall, then to blacking back in spring practice. Though lacking experience, Zeno has size and potential to become an outstanding quarterback in the Barnes Multiple-Single Wing attack. Lettered in football and track (shot putter) at Los Angeles Hi. Won All-Southern League honors at quarterback under Coach Harry Edelson. His father, Joe Zeno, is coach in Waltham, Mass. Physical Education major.

LEFT HALFBACK OR TAILBACK (SAFETY ON DEFENSE)

KEITH HARLYN JENSEN — Junior; one-year "Redshirt" squadman who didn't see action last season. A fine passer, he was tried at wingback last fall, then moved to tailback where he has shown some promise. Lacks startling running ability, but could be a surpriser. Lettered two years in football at Oceanside-Carlsbad Junior College before transferring to UCLA last fall, won All-American JC honorable mention and All-South Conference JC honors in '58. Named All-League at Oceanside Hi in 1956 where he got his grid training under Coach John Simcox. Physical Education major.

WILLIAM ORLAND (BILL) KILMER — Senior; two-year letterman, played 232 minutes last year and 90½ in 1958. Despite a cracked right wrist in his sophomore year and injured ankle last fall, has shown flashes of great ability. Despite the fact that Bob Smith is listed as No. 1 tailback, Kilmer has ability to "make" the 1960 Bruin team. His performance in the final spring practice game was an outstanding triple-threat effort. Not blessed with speed, he has quick moves and fakes that make him a dangerous runner; he was the top passer for the Bruins last fall; and wound up well in the Bruin lead in total offense, finishing second in the AAWU with 1080 yards. He also led the Big Five in punting in 1959, finishing 13th nationally. He started in six of the 10 Bruin games last fall. Despite injuries, he played some notable games last fall against Pittsburgh, Stanford, North Carolina State, and the big upset against USC. For his performance in the Trojan game, Kilmer was named the AAWU's Co-Back of the Week. He won 1959 second team All-AAWU honors and several Coast and national mentions. In 1957 he won All-America Junior College second team grid honors at Citrus (Calif.) Junior College. He also starred in basketball and baseball. He tried basketball as a Bruin last winter, but his football ankle failed to allow him to perform at his best. He also won three letters each in football, basketball and baseball at Citrus Hi in Azusa, Calif. Won Tri-Country League and All-CIF Small Schools second team grid honors under Coach Tris Hubbard. As short stop and centerfielder, he led Citrus Hi to the CIF Small Schools title by hitting .525 in his senior year. He was voted All-CIF Small Schools' basketball "Player of the Year" for the 1956-57 season by scoring 900 points in 30 games to break Jerry Pimm's record of 861 in 32. Physical Education major. Bill is married to his high school sweetheart, the former Patsy White and the Kilmers have a year-old baby daughter, Kathryn Lynn.

Doesn't figure to break up the Kilmer-Bob Smith combine, but a definite star of the future. Won 1959 Charles Pike Memorial Award which goes annually to the frosh captain. Lettered in both football and baseball (second base) and won Student-Athlete Award at Loyola Hi, Los Angeles. Won All-Catholic League and third team All-CIF honors under Coach Lew Stueck. Also captained his football team. Business Administration major. Beta Theta Pi fraternity.

ROBERT LEE (BOB) SMITH — Junior; one-year letterman, played 204½ minutes as tailback last fall, alternating with Kilmer and starting in four games. Had good games against Washington and USC, two of the toughest on the Bruin schedule. A much-improved passer, Bob has great speed and quickness to go "all the way" on any play. Also an improved punter. Also a sprinter and broad jumper. Must be considered starting tailback off all-round offensive ability and top-grade defensive safety work. Will have to hustle, however, to keep ahead of Kilmer. Lettered one year in football and track at Compton (Calif.) College. Won 1957 All-Western State Conference JC first team and All-America JC honorable mention honors. Lettered three years each in football, basketball and track at Compton Hi. Won All-Coast League honors in both football and basketball and also All-CIF acclaim in football under Coach Gordon Orr. Physical Education major.

RIGHT HALFBACK OR WINGBACK (LEFT HALF ON DEFENSE)

CARMEN ANTHONY DiPOALO — Sophomore; one-year "Redshirt" squadman who didn't see action last year. A hard-running, tough runner who will have a tough time beating out Gene Gaines and Jim Johnson, a pair of high-ranked veterans; but DiPoalo is definitely one to tab for the future. Looked very good in spring practice. Lettered one year each in both football and baseball at Citrus (Calif.) Junior College. Also, four-year letterman in both sports at Monrovia Hi. Won All-League and second team All-CIF honors as a prep under Coach Claude Walker in 1957. Physical Education major.

EUGENE C. (GENE) GAINES — Senior; two-year letterman, played 350½ minutes as both wingback and fullback in 1959 and 236 as fullback in 1958. A terrific all-round athlete, he had to skip track last spring because of a back injury. Is an excellent sprinter (9.8) and broad jumper (23-2¼). Started all 10 games last fall; and although his statistics don't show it, Gaines was one of the most valuable players on the Bruin team. Is particularly effective as defensive halfback against running plays. Was slated to return to full this year; but with emergence of Skip Smith as a top-drawer fullback, Gaines stayed at wingback, where he and Jim Johnson make one of the best 1-2 combines in the country. However, Gaines may see action at full this fall. In addition to speed, agility, and outstanding attitude, Gaines is also a dangerous pass receiver.

Has heft and ranginess needed at wingback. Lettered two years in football, one year in basketball at Downey Hi. Won All-Coast League honors and voted team's most valuable player under coaching of Gus Headington. Business Administration major. Phi Kappa Sigma fraternity.

JAMES EARL (JIM) JOHNSON — Senior; two-year letterman, played 259 minutes at wingback last year and 56½ minutes at end in 1958. This young brother of UCLA's famed Rafer Johnson, the decathlon star, is a fine all-round athlete in his own right. A 1959 winner of the Pacific Coast Conference broad jump championship with a leap of 24-9¾, Jim this Spring rambled the high hurdles in 14.3 to win the first AAWU timber-topping crown. Figures to have tremendous battle with Gene Gaines for the starting wingback berth. A dangerous ball-carrier, Jim really blossomed toward the end of the 1959 season as a pass-catcher that at times out-shone end Marv Luster. In the last four games alone, Johnson snagged 10 passes for 192 yards and three touchdowns, one a 65-yarder from Kilmer in the Utah game — the longest pass play by the Bruins all season. Lettered in football, track and basketball in his one year at Santa Monica City College. Voted SMCC's "Athlete of the Year" for 1957-58 and also named in the 1957 All-Metropolitan Conference JC and second team. Also placed first in the Southern California JC high hurdles with a best of 14.3 and second in the broad jump at 23-11¾. Also lettered three years each in the same sports at Kingsburg (Calif.) Hi. Winner of the first Red Sanders Memorial Scholarship, Mitch was dubbed "The Horse" for his reckless play as tailback and fullback at Wilson Hi, Los Angeles, where he earned All-City first team honors in 1958 under Coach Vic Cuccia. He also lettered three years in baseball. NATHAN DeLYNN (SKIP) SMITH — Senior; two-year letterman, played 55½ minutes as tailback last fall, 83½ the year before when he played both fullback and tailback. Combining both speed and power, Skip was moved to fullback following graduation of the great Ray Smith, one of the top blockers and fullback ball-carriers of recent years. Had best days against Stanford and North Carolina State when he netted 103 and 107 yards on successive weekends. Had a fine spring practice and may be just the man needed to do the big blocking and ball-carrying job from fullback. Won All-Coast Academic

ALMOSE A. (MOOSE) THOMPSON — Junior; one-year varsity non-letterman, played 32 minutes at fullback last season. Has shown steady improvement and ready to make a bid for the top spot. Will have to be 100 per cent ready, however, to catch the bigger and faster Skip Smith. Carried the ball only four times for a net of two yards last fall. Will undoubtedly see more action in '60. Lettered in football, track and baseball at Roosevelt Hi in Los Angeles. Was football captain and won All-Eastern League fullback honors under Coach Jim McLean in 1956. Physical Education major. Is married to the former Johnnie Mae Robinson.

HISTORY OF UCLA

MOST American universities date back many ivy-covered years and some, like William and Mary or Harvard, trace their antecedents to Revolutionary times. But the University of California, Los Angeles (UCLA for short), is only 41 years old. Its 411-acre campus, set against the Santa Monica Mountains with the blue Pacific nearby, is even newer.

UCLA was founded in 1919 as the "Southern Branch" of the University of California and officially re-named in 1927. Originally it occupied a site on Vermont Avenue, in Hollywood, but in 1929 moved to its present home in Westwood Hills. What had been a lonely bean field dotted with live oaks and sycamores is now a busy center of study and research, extra-curricular student activities and bustling construction.

Despite high entrance requirements (which only about 15 per cent of high school graduates can meet), its enrollment has mushroomed to 17,300 students — making it one of the top 10 in the nation in size of enrollment.

UCLA is the second largest campus in point of enrollment among the seven campuses of the state university, which is headed by President Clark Kerr.

Dr. Franklin David Murphy, 44, is Chancellor at UCLA. He heads a teaching staff of 2,746 and a full-time non-teaching staff of 3,700.

There are now 68 instructional departments, 13 schools and colleges, the Graduate Division, and several other divisions of instruction and research.

UCLA is the fastest-growing major university in the United States. Since the end of World War II a $120,000,000 building program has been underway, the largest in the nation. The number of buildings has more than doubled since the end of the war and a campus to accommodate 27,500 students by 1967 is being planned.

The library at UCLA, with its 17 branches contains 1,400,000 volumes, making it the largest research library in the Southwest.

UCLA ranks among the top ten universities in the nation in quality of its graduate offerings.

In contrast to older American universities which have been building for a century or more, UCLA erected its physical plant during a single generation. Its post-war buildings are constructed of the same material and share the same architectural feelings as the older buildings.

While physical expansion is the most astonishing single facet about the Los Angeles campus, it has grown rapidly and vigorously in instruction and research — helping the state-wide University of California to maintain its place as one of the "Big Five" in American education, along with Harvard, Yale, Columbia and Chicago.

DR. FRANKLIN D. MURPHY

UCLA Chancellor

Dr. Franklin D. (for David) Murphy, former Chancellor of the University of Kansas, is UCLA's new Chancellor this year, having assumed office on July 1, 1960.

He is 44 years of age, but has been seasoned by more than 11 years of high-level university administrative work. Three of these years were as Dean of KU's School of Medicine, eight as KU's Chancellor.

Important elements in Chancellor Murphy's background are these.

1. He is a medical man. His father was one of the founders of the University of Kansas School of Medicine, and his brother is on the staff of Cornell Medical School. Chancellor Murphy took his medical training at the University of Pennsylvania. During World War II he served in the U.S. Army Medical Corps doing research work on malaria.

2. He has a broad international background. This includes the chairmanship of the United States Advisory Commission on Educational Exchange of the Department of State, the Ford Foundation Committee on University and World Affairs, and the chairmanship of the Executive Committee of the Commission on Higher Education in the American Republics.

3. He has been sympathetic toward enlightened business and industry, having served on the Board of Trustees of such enterprises as Hallmark Cards, Inc., the First National Bank of Kansas City, and the Security Benefit Life Insurance Company.

4. He has been a member of such educational and philanthropic boards as the Carnegie Foundation for the Advancemen of Teaching, the National Council of the Boy Scouts of America, the State Commission for the Eisenhower Library, and the Menninger Foundation.

And, as KU's Public Relations Officer said when Murphy's appointment to UCLA was announced, "You are not only getting our Chancellor, but our No. 1 sports fan!"

Chancellor Murphy is married to the former Judith Joyce Harris, of Kansas City and graduate of Vassar; and they have four children, Judith Joyce, 17; Martha Alice, 16; Carolyn Louise, 10; and Franklin Lee, 9.

DR. BRADFORD A. BOOTH

Faculty Athletic Representative

This is Dr. Booth's third official year as UCLA's faculty athletic representative, an appointive position by the Chancellor. A professor of English and an ardent supporter of intercollegiate athletics, Dr. Booth succeeded Dr. Joseph Kaplan, Physics professor, and actually carried on for Dr. Kaplan in 1957.

"I've missed only one home football game in the 24 years I've been at UCLA," says Dr. Booth, "and I wouldn't have missed that game if I hadn't been out of state."

Dr. Booth did his undergraduate work at Allegheny College in Meadville, Pa., graduating in 1930. He received his M.A. and Ph.D. from Harvard University in 1932 and 1935 and then accepted a Dexter Fellowship from Harvard for special research at Oxford and the British Museum. Dr. Booth is the author of many books in the field of Victorian literature, including "Anthony Trollope: Aspects of His Life and Art." He is editor of the scholarly journal, "Nineteenth-Century Fiction" and has recently finished a five-volume edition of "The Letters of Robert Louis Stevenson", for the completion of which he has been awarded a Guggenheim Fellowship for 1961.

DR. BRADFORD A. BOOTH

(Continued)

Dr. Booth's first teaching job was at the University of Tennessee where he taught English for one year before coming to UCLA in 1936.

Though he enjoys watching all Bruin sports, he is an active participant in tennis and golf. He holds the distinction of being the only male in his family, being happily surrounded by his wife, Josephine, and his three daughters, Barbara, 18, Celia, 15, and Carol, 10.

WILBUR C. JOHNS (UCLA '25)

Director of Intercollegiate Athletics

Wilbur Johns is now in his 14th year as UCLA's athletic director. The Bruins' athletic program has grown and prospered under his leadership. He is highly respected in NCAA circles and has served the national collegiate body in several important capacities, including current membership on the NCAA Executive Committee. He participated in the formation of the articles governing the Athletic Association of Western Universities.

Wilbur was duly recognized for his service to his Alma Mater by receiving the coveted UCLA "Alumnus-of-the-year Award" in 1955.

He was head Bruin basketball coach for nine seasons (1940-48), with his teams winning the 1945 and 1947 PCC Southern Division titles. He previously served at UCLA as Caddy Works' assistant varsity and head frosh cage coach following his graduation in 1925. He lettered in basketball, tennis and swimming at UCLA, including the captaincy of the 1925 Bruin basketball varsity.

Wilbur prepped at Glendale (Calif.) High where he starred in basketball, baseball and tennis. A broken arm in two successive football seasons made him forego the grid sport.

He is married to the former Idele Robelen and they have a daughter, Peggy, and a husky young son, Mike, 11. Wilbur is also the proud grandfather of Dennis, 6, and Jennifer, 3½, his daughter's children.

Listed below are the 17 UCLA athletic teams under Johns' direction, with the head coach of each sport listed in parenthesis: Baseball (Art Reichle), Basketball (John Wooden), Crew (Bob Schaeffer), Cricket (Joe Drury), Cross Country (to be appointed later), Football (Bill Barnes), Golf, (Vic Kelley), Gymnastics (Ralph Borrelli), Rifle (Sgt. Frank Jones), Rugby (Ged Gardner), Soccer (Jock Stewart), Swimming (Jerry Astourian), Tennis (J. D. Morgan), Track & Field (Ducky Drake), Volleyball (Glen Egstrom), Water Polo (Jerry Astourian) and Wrestling (Briggs Hunt).
